INVITATION

On 19th June, we celebrated Daw Aung San Suu Kyi's 65th birthday. On this occasion, the Community of people from Burma in Bergen, Amnesty International Region Vest and the Rafto Foundation wish to express our concern relating to the upcoming election in 2010, as well as the Norwegian Government giving financial support to the Burmese military junta.

The Burmese Community has written a letter to the Norwegian government voicing these concerns, and wishes to share them also with you. We would therefore like to invite you to a short meeting with us, where we can give you a copy of the letter and explain our position.

The Rafto Foundation will contact you on our behalf.

We are looking forward to meeting you. Thank you for your support.

Thankfully,
